

# Kearns Improvement District

## 5 Million Gallon Tank & 30 Inch Diameter Water Line Construction Updates

### Location:

KID Main Office Site  
5350 West 5400 South  
Kearns, Utah

### Purpose of the Project:

To replace the existing 2 smaller tanks  
Install a 30" diameter water line from  
the new tank to Cougar lane.

### Construction will Begin:

March 2015

### Anticipated Completion:

June 2016

### Hours of Construction:

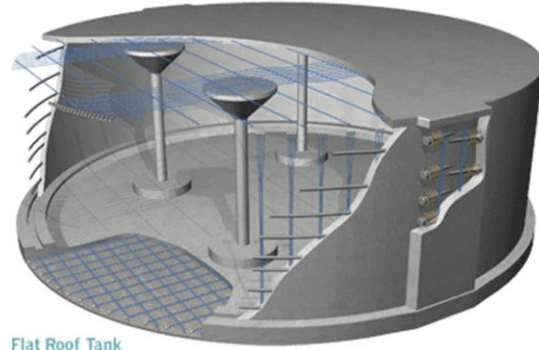

Monday thru Friday 6:30 a.m. to 6:00 p.m.  
There will be occasions where concrete  
construction will require continuous pours  
through the day and night. KID will advise the  
neighbors in advance of these times.

### 5400 South Construction:

Waterline and storm drain construction will  
occur within 5400 South during the anticipated  
time frame of June thru September 2015. Some  
delays may be experienced.

### District Office Access:

KID will maintain access to the District's offices  
at the main entrance off of 5400 South Street.  
Existing parking will be maintained for use by  
KID customers. Office hours will continue to be  
9:00 a.m. to 5:00 p.m. with night drop box  
access at the designated location.

Flat Roof Tank

**UNDER CONSTRUCTION**

### Updates:

From time to time informational notices will be  
sent out to inform the neighbors and citizens of  
construction updates. All updates can be found  
on the District's website: <http://kearnsid.org/>  
Electronic notification is also available if so  
desired.
